Dear Sir,

The Erection and Extension (toilets and store) and the re-roofing of the Village Hall, Charlton Morethorne.

The Planning Committee have considered the question of the materials and colour of the new roof to the Village Hall at Charlton Morethorne and have decided to appoint a Site Sub-Committee to visit the hall and inspect the roof.

The Site Sub-Committee will be visiting the hall on Monday the 30th November 1981 at approximately 2.30 p.m. and will meet in the car park. The Planning Site Sub-Committee are only carrying out a site inspection with a view to reporting back to the Planning Committee and it is not their practice to receive any representations or discuss the matter with an applicant where planning application is concerned, or with the owner or occupier in relation to any other matter.

The purpose of this letter is to notify you that the Committee will be coming to Charlton Morethorne on Monday the 30th November 1981.

Yours faithfully,

Chief Executive and Clerk

Dear Madam,

ERECTION OF AN EXTENSION AND THE RE-ROOFING OF
THE VILLAGE HALL, CHARLTON MORETHORNE

Thank you for your letter dated the 27th October 1981 regarding the above. The question of the painting of the village hall roof was placed before the Council's Planning Committee which resolved to take no action in relation to the contravention of the permission but asked me to inform you that a serious view was taken at the non-compliance with the planning condition. I trust the above information will assist you and I am forwarding a copy of this letter to Charlton Morethorne Parish Council, Mr. A.H. Wood (Pittards), Mr. M.W. Hole and Mr. T. MacBean.

Yours faithfully,

Chief Planning Officer
