

2020/2021 COVID-19 Pandemic Strikes

Timeline: 2020

March - the nation went into lockdown

June - restrictions started to ease

September - some restrictions re-imposed

October - a second lockdown

December - lockdown lifted; mass vaccination programme began with over 4,000 vaccination sites across 7 regions of the NHS and 153 local authorities.

2021

January - a third lockdown

February - hotel quarantine implemented for foreign travellers; 13 million doses of vaccine had been given

March - lockdown restrictions eased

This drastically affected village life and all its residents and for the first time in its history the Village Hall was closed for over 5 months.

“stay 2 metres apart”

“wash your hands and wear face masks”

“essential journeys only”

“no meeting up in houses”

“social bubbles”

“no more than groups of 6”

“schools, colleges, universities closed”

“key workers”

“all hospitality and cultural centres closed”

“clapping for the NHS”
