 Having received from the Charlton Hawthorne Committee deposit by cheque of £80. (Eighty pounds) purchase of Mining Hall total cost of which is to be £280. (Eighty pounds) leaving £200. (Twenty pounds) balance to be paid before dismantling on the 25th instant on this month, and this deposit is paid only on condition that the Mining Hall is not worked until the Army Surplus Depot is viewed in its present condition as when they saw it and is not damaged by the dismantling of buildings that were then attached to the Mining Hall. If this is not thought to be satisfactory to the Committee the cheque of £80. (Eighty pounds) is to be returned to enable the Committee to purchase another building which will be satisfactory to them.
